Senior High School Parents and Students' Newsletter No. 8

20 January 2017

Happy 2017!

Cliché as it may sound, but it really seems like it was just yesterday when we sent out the very first issue of our SHS Newsletter. This is our 8th issue, which means that we are down to our last two academic months.

We are truly proud of the accomplishments that our SHS students have achieved, and we certainly look forward to more amazing achievements. We would like to thank you, our dear parents and guardians, for being our constant partner in making all these possible.

But our work is not done yet, they still need our support and guidance as they hurdle, among many others things, the week-long examinations scheduled on January 23-27, 2017.
